## **Chris Richardson**

*An update from Rae Wilson*

*August 11, 2009*

I am more than THRILLED to report we are in the middle of Chris Richardson being fitted for his C-legs!!!! Praise the Lord and thank you BLF! Casts will be made today & he should be up on something, probably will start with little "stubby" legs by Thursday! We are cautiously optimistic about his right leg being able to be fitted with a leg. If not, they feel Chris will be able to have the left leg with crutches. This is a very exciting time in our family, one we've patiently waited on for 2 years. Chris is planning on attending the Sept. meeting with me. He is anxious to meet everyone & thank you all in person. God bless each and every one of you for your dedication to a cause that only those of us that have benefitted from can truly understand the impact you have on others. You are truly angels on earth.

See you in September.....hopefully with a smiling Chris by my side!
